Legal Name: Young Il Park

Chicago **Park**

Undergraduate Researcher at WashU

Email : chicago@wustl.edu
Github: github.com/ChicagoPark
Linkedin: @ChicagoPark

Education

2022 - 2024 **Washington University in St. Louis (WashU)** MO, USA
BS Candidate in Computer Science

Other Academic History

2016 - 2022 **Kookmin University** SO, KOR
Incomplete(transferred out after 3.5 years to WashU CSE), Automobile and IT Convergence

Research Experiences

2022 - 2023 **Computational Imaging Group (CIG) at WashU** MO, USA
Undergrad. Researcher & Summer Research Assistant

2020 - 2021 **Intelligent and Interaction Lab at Kookmin University** SO, KOR
Undergrad. Researcher & Lab Leader

Publications

Under review

1. **Chicago Park***, Shirin Shoushtari*, Weijie Gan, and Ulugbek S. Kamilov. Convergence of Nonconvex PNP-ADMM with MMSE Denoisers. *2023 IEEE International Workshop on Computational Advances in Multi-Sensor Adaptive Processing (CAMSAP), 2023*

Abstract papers Poster Presentations

2. **Young Il Park**, Hyun Jae Lee and Sang Hun Lee*, "Estimation of Lateral Distances between Vehicles and Lane Markers Using Sensor Fusion and Deep Neural Networks," *The Korean Society of Automotive Engineers 2021 annual autumn conference and exhibition*, Yeosu, Nov 17-20, 2021.

Honors and Awards

FL2022 - SP2023 **Dean's List at WashU** MO, USA

2021 **Honorable Judge Award, 9th Cloud Programming World Cup** TK, JPN

2020 - 2022 **Full Silla Scholarship, Sillaholdings** SO, KOR

September 29, 2023

Teaching Experiences

SP2023 - FL2023	**CSE 247 Data Structure and Algorithm, WashU** Teaching Assistant	MO, USA
FL2021	**MyLab Study II, Project-based Course, Kookmin University** Assistant Instructor	SO, KOR
SP2021	**Interdisciplinary Capstone Design I, Project-based Course, Kookmin University** Assistant Instructor	SO, KOR

Military Service

2017 - 2018	**Republic of Korea Army** Sergent & Company Signaller & Barber	GW, KOR

September 29, 2023
